b) Credit History Standards: The following credit history standards will be analyzed in conjunction with income limits to determine program eligibility:

- Applicants must have an overall good pattern of credit behavior including a history of timely payments for rent, automobile and installment loans, credit cards and revolving loans as described below. If a good payment pattern has been maintained, isolated cases of slow/late payments may not disqualify an applicant for program eligibility.

 - Payments on revolving loans or credit cards should not have any late payments in recent 12 months.
- Applicants must have a satisfactory income, credit and two year employment history.

- At a minimum, a foreclosure sale or a transfer of title in a deed in lieu of foreclosure must be at least three to five years old from date of application for assistance.
- No outstanding collection accounts or judgments.
- As part of the credit history and mortgage ability review, LIHP will utilize the middle credit score of all borrowers from three national credit repositories. At a minimum this credit score must be at least 580. (Higher credit scores may be required by lenders).
- The credit standards listed above are to determine program eligibility and do not represent a mortgage approval. The applicant is responsible for securing a mortgage approval through a responsible lending institution.

c) Home Buyer Contribution: Applicants, at time that the application is submitted to LIHP, must have a minimum of \$3,000 in savings/checking accounts or verifiable liquid assets from their own funds and/or retirement accounts (401k, 403b etc.) to apply towards the down payment/closing costs. **The required \$3,000 must be shown in the most recent bank/retirement statements submitted with application.** All statements submitted must show the bank name, account holder’s name and account number with a detailed list of transactions.

The current limit is \$65,950. Any amount over \$65,950 will be applied toward the purchase of the home before HOME funds are provided to the home buyer. IRAs, 401ks and other tax sheltered retirement accounts will not be considered in calculating the maximum asset amount.

e) **Seller paid closing cost and seller concession not allowed**

- III. **Gift Letter:** LIHP will allow a gift letter from an immediate family member stating that the money provided is in the form of a gift and will not have to be repaid. This letter must be signed, notarized and submitted with the application. This gift contribution **cannot** be used towards the \$3,000 minimum home buyer contribution.
- IV. **Citizenship:** The Town requires that each applicant must be either a U.S. Citizen or a Qualified Alien, as defined at 8 USC 1641.

Property Value Limit: The purchase price of the single-family home to be purchased may not exceed 95% of the median purchase price for Town of Brookhaven, as established by HUD annually. **The maximum purchase price of a single-family home is \$599,000. Please verify this figure with LIHP prior to signing a contract.** If the property appraises lower than the purchase price, down payment funds will not be available to purchase the home.

- V. **Applicant Eligibility:** Applications received shall be evaluated and must be certified as program eligible on a first come, first served basis according to the Application Intake and Purchase Certificate Issuance process in section XV.

A letter from LIHP detailing the eligibility or ineligibility will be sent to each applicant after a full review of the applicant has been conducted. Any applicant who does not close on a house within six (6) months of the date of income eligibility letter sent by LIHP **will** be required to have their income eligibility recertified. The recertification process requires that the Applicant resubmit copies of four (4) current consecutive paychecks, two (2) most recent consecutive bank statements, most recent retirement/investments statement for all accounts and federal tax return (if applicable) to determine that they still meet the eligibility requirements of the program.

Only single family homes are eligible to receive down payment assistance/closing costs. All single family homes to which the applicant seeks to apply their purchase certificate, must meet Federal Housing Quality Standards in order for said house to be eligible for down payment assistance. For the purposes of this program, all homes are considered “ineligible” until said home passes the Federal Housing Quality Standards inspection and until Town of Brookhaven gives written notice that a home is “eligible” to receive grant funds. Town of Brookhaven will make the only and final determination as to the eligibility of a home based upon federal requirements, which cannot be waived and/or altered.

Any contract for the purchase of a home under this program should contain language that such an agreement is conditioned upon said home passing a Housing Quality Standards Inspection and receiving written approval that said house is eligible to receive grant funds. Written approval by Town of Brookhaven deeming a house “eligible” is required in order for an applicant to use grant funds toward down payment assistance/closing costs. Town of Brookhaven is not responsible to any party for the loss of a down payment/closing costs or any other damages which may arise as a result of a person’s failure to adhere to the terms of the 2026 Program Guidelines, herein.

VIII. Residency Requirement: Applicants must occupy the property as their principal residence during the period of affordability. The period of affordability is ten (10) years pursuant to HUD guidelines. Should the Applicant sell the home prior to the expiration of the ten (10) year affordability period, all grant funds must be repaid in full upon completion of sale of said home and on a primary basis. Applicant cannot use the property as a “rental” property or use the property in any manner other than as a primary residence.

IX. Pre-purchase Guidelines: Applicant cannot have entered into a contract to purchase a home prior to the receipt of a purchase certificate from LIHP. Eligibility is determined by Town of Brookhaven according to Federal requirements.

X. Homebuyer Selection Area: All homes must be purchased within the villages or hamlets Town of Brookhaven. Please contact LIHP to verify eligible communities.

Homes purchased in a flood zone must have flood insurance.

XI. Mortgage Ability & Mortgage Counseling Requirements: Applicants must have adequate financial resources and credit to qualify for a home mortgage. **Eligible applicants are required to attend LIHP's pre-purchase mortgage counseling.** (This counseling session is **free of charge** and takes approximately two (2) hours. LIHP is a HUD certified mortgage-counseling agency). If you have a copy of a counseling certificate issued by LIHP within the last 12 months, please submit a copy with your application as you may have met the home buyer counseling requirement.

LIHP assists qualified applicants in securing a mortgage. However, it is the responsibility of the applicant to secure a mortgage. Applicants must submit to LIHP all standard documentation required for mortgage processing, including signed copies of the last three years of their Federal Income Tax Returns with W-2 forms, four (4) most recent consecutive pay stubs for every household member age 18 or older (pay stubs must show year to date earnings) and two (2) months most recent bank statements (all pages) and investment accounts, for every household member age 18 or older, showing assets needed for down payment and closing costs.

It is the responsibility of the Applicant to secure a mortgage. Federal regulations require that the amount of down payment assistance/closing costs be necessary and reasonable. To meet this requirement, LIHP will conduct a mortgage ability analysis to establish the appropriate amount of down payment assistance/closing costs. A standard of 25% of income for front-end housing cost (principal, interest, taxes and insurance) shall be applied. This amount will be determined based on the applicant's income and sales price of home. After LIHP has conducted this analysis, any applicant whose front-end housing costs are less than 25% of their income will have their down payment assistance/closing costs reduced to meet 25% standard. Please notify or forward LIHP a copy of the accepted offer and loan application (1003) from lender, as soon as possible, to expedite the mortgage ability analysis.

In addition, all loans to finance the purchase of a home are subject to underwriting as part of the review process. Generally, ratios must fit within the lending parameters shown below for Housing Debt to Income and Total Debt to Income.

Ratios	Parameters
Front End Ratio: DTI (Housing Debt to Income)	40%***
Back End Ratio: TDTI (Total Debt to Income)	45%

***** The Front-End Ratio is the current value and it is subject to change. However, any loan application (1003) that results in a Back-End Ratio (Total Debt-to-Income) greater than 45% will render the Applicant ineligible under this grant program.**

Amount of the grant that the applicant will be receiving is based on the back-end ratio

Back End Ratio: TDTI (Total Debt to Income)	Amount of the grant that you will be received
41 % - 45%	\$50,000
36% - 40%	\$40,000
35% or less	\$30,000

XII. Restrictions: Responsible lending is the practice of ensuring that a homebuyer’s mortgage is sustainable over the long term and does not contain risky loan features that could threaten the homeowner’s ability to meet the obligations of the mortgage.

LHP has established the following criteria for the homebuyer’s mortgage:

Eligible applicants will be required to attend pre - purchase mortgage counseling through LHP. Upon Successful completion of mortgage counseling the applicant will be issued a Mortgage Counseling Certificate and within two weeks receive the Purchase Certificate from the Program Manager. Any applicant who does not close on a house within six (6) months of the date of income eligibility letter sent by LHP will be required to have their income eligibility recertified.

XIV. Home Inspection Requirement: The residential property to be purchased **must** pass a Housing

Quality Standards Inspection as a pre-requisite for receiving any grant funds. This inspection is provided by Town of Brookhaven and is solely for the purpose of ensuring that the home meets a minimum standard of quality pursuant to the U.S. Department of Housing and Urban Development regulations (HUD). Without exception, this program will not fund homes that **fail** the Federal Housing Quality Standards Inspection. If the property fails initial HQS inspection as part of the program and the seller wishes to proceed with the applicant in contract; the seller has the option to rectify all required items in initial HQS report to meet said HUD standards according to a subsequent HQS inspection by the Town of Brookhaven. **THIS INSPECTION DOES NOT TAKE THE PLACE OF A HOME INSPECTION ORDERED BY THE PURCHASER.**

When entering into any agreement, the agreement should contain language that such an agreement is conditioned upon said home passing a Housing Quality Standards Inspection and receiving written approval that said house is eligible to receive grant funds. In addition to the HQS inspection, the applicant should have a licensed home inspector inspect the property at the applicant's expense after conferring with your attorney.

Town of Brookhaven and LIHP are not responsible to any person, party, entity, applicant, buyer, seller, etc., for the loss of any deposit and/or down payment/closing costs on a home which has not passed a Federal Housing Quality Inspection.

XV. Proof of No Lead Based Paint: The purchase of a residential property constructed prior to 1978 must pass a **visual** lead based paint assessment conducted by a certified lead based paint inspector. LIHP must be provided with written certification of this assessment. **The program will not fund homes that do not pass this initial assessment.** Homes built after 1978 are not required to have this assessment; however, it is the responsibility of the applicant, under the program, to provide LIHP with proof that the home being purchased was constructed after 1978. **LIHP and Town of Brookhaven are not responsible for the cost of the visual assessment.** Qualified applicants will be provided with a Lead Paint Information Packet and a list of certified lead paint inspectors at the time the Purchaser Certificate is issued.

XVI. Pre-Contract Agreement: **The purchaser of the home cannot displace an existing tenant. Both the purchaser and the seller will be required to sign a Pre-Contract Agreement to verify that this restriction is not being violated.** The applicant must not have entered into a contract to purchase the house prior to the receipt of a purchase certificate from LIHP. All homes must be purchased within Town of Brookhaven, New York. No funds will be issued if a closing occurs prior to full and complete satisfaction of all of the 2026 Town of Brookhaven Down Payment Assistance Program Guidelines, herein. **Town of Brookhaven and LIHP are not responsible for any funds lost as a result of enforcement of the 2026 Program Guidelines.**

At closing, Town of Brookhaven and LIHP will provide the Note and Mortgage. The Note and Mortgage are subordinate to the prime lender (the institution providing the primary mortgage) and includes an affordability period of ten (10) years. If the home is kept in compliance during the affordability time period (10years), the loan is forgiven and no payments will be required on the loan. Upon completion of the affordability period and assuming the home is in compliance, the applicant may request an "application for satisfaction" from LIHP and the **applicant will be responsible** for any and all fees associated with preparing and filing the satisfaction at the Suffolk County Clerk's Office.
